EDUCATION

Georgia Institute of Technology | Atlanta, GA — Expected May 2028
Bachelor of Science in Industrial Design

Eindhoven University of Technology (TU/e) | Eindhoven, Netherlands — January – July 2026
Industrial Design Exchange Program

Waterford Kamhlaba United World College of Southern Africa | Mbabane, eSwatini — November 2023
International Baccalaureate Diploma

EXPERIENCE

T-Systems (Deutsche Telekom), *InnoLab Intern* | Stuttgart, Germany — June – July 2025

- Built and maintained 4+ technology exhibits for visiting delegations from Volkswagen, Continental, and Mercedes-Benz, university groups, and Deutsche Telekom Group executives.
- Partnered with engineers and stakeholders to refine the Teleoperated Driving, RobCo robot, and Digital Twin demos for client presentations.
- Redesigned the InnoLab visual identity and merchandise, giving the team a distinct look within Deutsche Telekom brand guidelines.

Method, *UX Design Intern* | Santa Clara, CA — June – August 2024

- Conducted foundational UX research for an internal learning management system (LMS), including user interviews and synthesis that shaped the MVP.
- Owned the quiz-taking experience, designing its flows and UI in Figma, and contributed UI components across the product.
- Collaborated with a 7-person design team and 30 product strategists and engineers, tracking work in Jira to deliver a complete Learning Management System MVP in 8 weeks.

Freelance Photographer — January 2024 – Present

- Shoot portraits and headshots on digital and film for individual clients, and produce visual content for a local small business.

LEADERSHIP & INVOLVEMENT

Georgia Tech School of Industrial Design, *3D Print Lab Assistant* | Atlanta, GA — August 2026 – Present

- Maintain, calibrate, and troubleshoot a fleet of 16 FDM 3D printers serving 350+ Industrial Design students.
- Help students optimize their parts for FDM manufacturing, improving print strength and surface quality while minimizing material waste.

Georgia Tech Wreck Racing, *Interior & Controls Design Engineer* | Atlanta, GA — August 2024 – May 2025

- Co-designed the sheet-metal transmission tunnel in CAD for the Conquest TS4's driveline swap, fitting an Audi S4 4.2L V8, 6-speed manual, and AWD into a 1987 Chrysler Conquest.
- Adapted the stock Conquest gauges to work with the Audi ECU, and co-designed the bracket mounting the Audi steering wheel and shaft into the Conquest body.
- Car placed 1st in Concours, 3rd in class in Autocross, and 4th overall at the 2025 Grassroots Motorsports $2,000 Challenge.

UWC Africa Week, *Media & Marketing Executive* | Mbabane, eSwatini — May 2022 – August 2023

- Led a 4-person media and marketing team for eSwatini's largest student-run event, a week of panels, performances, and exhibitions celebrating Africa's culture, history, and future.
- Drove the event's first large-scale expansion of merchandise, social media, and website, growing a historically word-of-mouth event into a branded presence with a new visual design language.

SKILLS

3D & Physical Prototyping: Woodworking, Laser Cutting, FDM 3D Printing, Rapid Prototyping, Design for Manufacturing (DFM), Electronics Prototyping, Silicone Casting & Mold Making, Foam Modeling, CNC Milling
CAD & Rendering: Autodesk Fusion, Blender, KeyShot, Vizcom, Solidworks
UX & Visual: Figma, Jira, Adobe Photoshop, Illustrator, InDesign, Lightroom, Photography (Digital & Film)
Methods: User Research, User Interviews, Research Synthesis, UI Design, User-Centered Design, Visual Identity & Branding
Languages: Hindi (native), English (native), Spanish (intermediate)
